COMPLETE LUXURY

“We had to get some emergency accommodation as the place we booked through another group was filthy. When we arrived early, London Accommodation Kensington had our room ready and the manager was absolutely fantastic as well as all the staff we met. As we cater for ourselves, we found the kitchen perfect and easy to use. The bed was very comfortable and the shower was excellent. I would recommend this place to everyone. The location is near the tube, supermarket and restaurants. Thanks LAK for a great experience.”

John from Australia

COMPLETE LUXURY

"I booked relatively quickly. I was very satisfied with the price. The living room and kitchen was spacious and comfortable. The underground station takes about 2 minutes by foot. There was a Waitrose in the underground station and it was so convenient. Sainsbury's is also a 5 minute walk away. V&A Museum and Harrods are within 1-2 stops. The staff are very kind, with a Duty House and Night Manager. I would definitely book with LAK Serviced Apartments again."
